Subject: RE: MCNEP (Mendota) Project - Meeting Request

Hi Roya, sorry for the delay in getting back to you on this request. Our Water Director, Tomás Torres, would be able to meet with you on this matter. Given some upcoming leave and travel, the earliest we could schedule something would be after April 12th. Let me know if that sounds workable and I will reach out to his scheduler to secure a time. Thanks, David

Subject: MCNEP (Mendota) Project - Meeting Request

Hi David,

Thank you again for your time to discuss the Mendota Project last week. I informed the MCNEP team and the Management Committee (our senior leadership) would like to meet with you and Martha Guzman. Our leadership is interested in how best to move forward in consideration of lessons learned from the current/existing application. To that end, if you are open to meeting, would you please suggest some dates/times? I think we would need approximately 1 hour.

Please feel free to call/contact me if you have questions/concerns.

Best Regards,
Roya
